MOSQUITOES

All those out and about this spring and summer should remember to take common sense precautions. Horse owners should vaccinate their horses for eastern equine encephalitis (EEE) and monitor the health of their horses. The cost of such vaccinations is quite modest. For the rest of us, we should:

1. Eliminate, where possible, areas of standing water (pools, tires, bird-baths, clogs in gutters, etc.) on your property.
2. Apply bug spray with deet when heading outdoors.
3. Wear long pants and long-sleeve shirts while outdoors.
4. Avoid outdoor activity at dawn and dusk.

If you have concerns about your animals, you should contact the Rutland County Humane Society or Pittsford's Animal Control Officer David Soulia, Jr. (483-6500). Health Office Rich Bowman is also available to address questions. (683-9093)

VILLAGE FARM NEWS & VSO CONCERT SATURDAY, 7/9

The Vermont Symphony Orchestra will be bringing a string quartet to Pittsford for a free summer evening performance on Friday, July 9 at 6 pm at the Village Farm as part of their statewide summer "Homes and Gardens" tour.

Spring is here and much has been happening at Pittsford Village Farm. The Board of Directors has named two new members of the Board: Robb Spensley and Terry White.

In other news, the events committee has been meeting to discuss summer concerts and other events. The *Tuesday* concert series will be held on Tuesdays, July 13 to August 31, from 6 to 8 PM. Musicians have been scheduled for all eight dates – details available soon on the Pittsford Village Farm event calendar.

Plans for building restoration, landscaping, a community center, and a child-care center continue to develop with an exciting vision for the future.

Pittsford Village Farm volunteers have joined with local businesses and community partners to establish the *Pittsford Welcomes You* program welcoming new residents to our area. They have already started distributing totes chock full of information, welcome gifts, and gift certificates from more than 10 local businesses. See the full story with all participating businesses at PittsfordVillageFarm.org. Many thanks to all who are participating! As always, volunteers are encouraged to get involved by joining a committee, helping with an event, or contacting info@pittsfordvillagefarm.org to share in upcoming plans and events taking place in our community.

ASSESSOR'S SPRING UPDATES

VETERANS EXEMPTION Veterans who are residents of Pittsford, with a disability of 50% or more, are entitled to a \$40,000 exemption from the assessed value of their homestead for tax purposes. Those veterans should receive a letter and an application from the Office of Veterans Affairs which should be completed, signed and returned by May 1st. If a veteran is qualified and has not received a letter we suggest a call to the VA office at (888) 666-9844 or go to the web at www.veterans.vt.gov.

HOMESTEAD EXEMPTION Once again, all resident homeowners are required to file the Homestead Exemption (HS-122) which can be found in the Vermont Tax booklet or on line at: tax.vermont.gov, go to FORMS. Late filing will be accepted through October 15th, but a late filing penalty will apply.

UPDATES Please note that taxpayers should apply for a permit to add existing buildings on a property. Conversely, if a building is removed, please contact our office, so we can adjust your assessment. Also, please register new surveys at the Town Office. With this information, the Assessor will be able to adjust your property valuation accordingly.

GRIEVANCE The dates for grievances for 2021 will be announced in June. Taxpayers for whom there has been a change in assessed value will receive a notice with this change and the dates for grievance. We will also post these dates on the Town website and in 5 public locations in town. You may also request a grievance at any time prior to the start of grievances and we will contact you for a hearing.

If you have any questions about the above or any other assessment issue, please call the Assessor's Office at 802 483-6500 ext 15 or by e-mailing listeners@pittsfordvermont.com.

ZONING UPDATES

Junk & Junk Cars placed within sight of property boundaries (including public roads) are not enhancing Pittsford's image or appeal... Residents can find the Town Ordinance that prohibits the Outdoor Storage of Junk and Junk Vehicles at www.pittsfordvermont.com. In response to an apparent increase of road side furniture, unregistered and uninsured vehicles, construction debris, etc., the Town Manager, Zoning Administrator and Police Department are now authorized to issue Municipal Violations (Tickets) in order to enforce this Ordinance. The fine for a first offense is \$100.00 and repeat offenses double this fine. Multiple offenses could eventually result in a lawsuit in VT Superior Court. Please save yourself, Town staff, and the Town taxpayers a lot of time and expense by properly disposing of your junk!

Jeff Biasuzzi, Zoning Administrator

PITTSFORD COMMUNITY GARDEN

ENERJAZZ BAND, SATURDAY, AUGUST 7th

The Pittsford Congregational Church, under the leadership of Pastor Michael Dwyer, is sponsoring a live band performance on Saturday, August 7th at 6:00pm. This band features several highly talented local musicians and will provide an excellent performance.

Whatever the COVID requirements are in place at the time of the concert, we will follow. Weather permitting the program will be outside, so bring your chairs, blanket and a snack. This is an alcohol-free event.

PITTSFORD CEMETERY ASSOCIATION NEWS

The Pittsford Cemetery Association has contracted Tom Giffin, Rutland Cemetery Commissioner and President of the Old Cemetery Association, to clean and repair headstones. Mr. Giffin will be cleaning and repairing headstones in the following cemeteries: Evergreen, the Baptist and Meeting House cemeteries.

If you have an interest in volunteering to help clean and restore some of the headstones, please join us in a hands-on learning opportunity provided by Mr. Giffin. Your newly learned knowledge will be greatly beneficial in assisting with the cleaning and restoring of the headstones on June 19th at 8:00 am in the Meeting House Cemetery in back of the Congregational Church where we will be meeting.

A follow up meeting will be held on July 10th at 8:00 am. Location to be announced. Contact Barb Willis at 802-483-9495 for more information.

CORRECT MAILING ADDRESS

If you have changed your mailing address in the last year, please notify the Town Clerk's office as Town property taxes will be mailed by the end of July. Utility bills will be mailed out in late June. Having the correct mailing address saves on time and money. Remember there is a gray drop box for payments available 24/7 at the Town Office on the left side of the parking lot exit.

TOWN CLERK'S OFFICE

The VT Spay Neuter Incentive Program (VSNIP), under VT Economic Services, helps income challenged care-providers of cats & dogs neutered for \$27.00. The balance is paid ONLY by a \$4.00 fee added to the licensing of dogs, and put into a designated account.

VSNIP is now at "0" funding due to dogs not being registered at least by six months of age. Required by law, a rabies vaccination enables your dog to be licensed. Provide a rabies certificate, include a check for that amount, and a SASE. **Rabies IS in Vermont and IS deadly.** Tractor Supply Stores are now holding monthly rabies clinics again! Call for their schedule.

Licensing a dog: **1)** identifies your dog if lost, **2)** provides proof that your dog is protected from rabies in the event your dog is bitten by a rabid animal {but would still need immediate medical attention}, **3)** bites another animal/person, which could result in the quarantine of your dog or possibly euthanasia to test for rabies if your current vaccination isn't proven, **4)** helps support VSNIP to address the over-population of cats and dogs in VT, and **5)** **\$3590. List of dogs and wolf-hybrids not licensed states, in part ...** "the municipal clerk shall notify the owners or keepers of all dogs and wolf-hybrids named on the list that have not already been licensed or inoculated, and after May 30 shall furnish to the legislative body a list of dogs and wolf-hybrids not licensed or inoculated as required by law.

Owners shall also be notified that unlicensed or uninoculated dogs or wolf-hybrids may be destroyed." (No one want this, so vaccinate & register – for the protection of your animals and people!

For an application for VSNIP, send a SASE to: VSNIP, P O Box 104, Bridgewater, VT 05034. Indicate if this is for a cat or dog or both. 802-672-5302

HIKING ON PITTSFORD TRAILS WITH YOUR DOG

Please note that landowners of the CHAFFEE FALLS TRAIL and the SPLIT ROCK TRAIL are requesting that all dogs be kept on a leash while on these trails. The Recreation Department and the Trails Committee ask that you respect the landowners' wishes. There have been some incidents of dogs being aggressive toward other dogs and hikers while on these trails. If this request is not followed, landowners may be forced to close the trails, which would be a loss to the whole community.

PITTSFORD FOOD SHELF

Thanks to all of you, the Food Shelf is able to continue serving about 70 families and 130 people per month. Your donations help us meet the needs of our neighbors. If it was not a good time to donate during our annual fundraiser (letters were sent to all homes & businesses in Pittsford, Proctor, Florence & Chittenden on March 1), feel free to donate anytime throughout the year. The need for food is ongoing so donations are welcome any time.

Currently, the Food Shelf is still being managed by appointments. This will continue until we hear otherwise from the Vermont Food Bank. Please call a few days prior to wanting an appointment to place your order and a time will be given to you to pick up your groceries. The process is very quick. Currently we are stocking extra items due to the pandemic, such as personal care items.

The only requirement to use the Food Shelf is proof of residency in Pittsford, Proctor, Florence and Chittenden with a current utility bill.

Veggie Van Go is coming to Otter Valley - Fresh Veggies! Be watching for more details or if you prefer, there are several locations in Rutland to pick up fresh veggies year round.

This is an exciting time for the Pittsford Food Shelf as Robin steps aside. Joel Tate and key lay leaders from Furnace Brook Wesleyan Church will be taking on the leadership role effective June 1, 2021. It has been a great ride over the past 23+ years but it's time to move on. I will remain available to help with the transition. Thank you for allowing me to serve you all. I have tried to do it with dignity and respect for anyone who has a need.

If you have any questions, feel free to give Robin a call at 483-2967 or to place your order call Liz at 459-6341. More info will follow as it develops. Robin Rowe, Pittsford Food Shelf Director
